IT IS NATURAL FOR HER TO BE SURPRISED. EVEN I WASN'T ABLE TO HANDLE THIS KIND OF SWORD'S ATTACK.

THE PRESSURED DEMONIC POWER BECOMES TOTALLY UNLIKE NORMAL DEMONIC POWER. THEREFORE, A DEFENSIVE WALL ISN'T EFFECTIVE AT ALL.

UNTIL NOW, COUNTLESS NUMBER OF PUNISHING DEVILS TRIED TO KILL THE LOST DEVIL SWORD.

BUT AFTER ALL, SWORD HAS SURVIVED. BECAUSE IT'S SAID THERE IS NO TECHNIQUE EQUAL TO THE ONE HE USES...

WH... WHY DIDN'T MY ANTI-MAGIC ABILITY WORK?

WHAT IS THIS ANKOKUMATOU-JUTSU!?

HE'S CERTAINLY STRONG. STRONGER THAN ALL DEVILS WE HAVE MET SO FAR.
BUT...

KILLING HIS OPPONENT IN A BATTLE!. HE'S JUST ANOTHER RUTHLESS AND CRUEL DEVIL.

MIZUNO... YOU TOLD ME THAT HE IS NOT LIKE OTHER DEVILS!

I DON'T LIKE TO KILL WOMEN...

WHA...

BEYOND THAT, IT IS NOT THE MEANING OF THIS BATTLE, ISN'T IT! BESIDES...

BUT IF YOU LET ME LIVE, I WILL HAVE TO TARGET YOU AGAIN... EVEN THOUGH I WILL REGRET IT.

7

.....

WATCH OUT, SWORD!!

WHY DIDN'T YOU KILL ME? SWORD!!

6

TO A DEVIL, ADMITTING DEFEAT IS MORE HUMILIATING THAN DEATH... AND YOU HAVE ADMITTED YOUR DEFEAT.

B... BUT WHY?

10

SO TO REPAY THIS DEBT! I MUST KILL YOU!!

JUST TRY

YOUR HAND HAS ABSORBED THE DEVILSPAWN SOULS OF DEFEATED DEVILS. THEREFORE, YOU'LL RETURN TO YOUR DEVIL FORM.

YOU NEED A BODY TO RETURN BEING A DEVIL. SO BY COLLECTING DEMONIC SOULS, THE SPAWN CAN BRING FORTH THIS DEVIL BODY.

14

THIS I DON'T KNOW. HOWEVER, YOU NEED A BODY THAT STANDS YOUR EXTRAORDINARY DEMONIC POWER...

DEVIL & DEVIL 3, COMPLETE.

Word from the boss-dude

Well, it's been a fun ride hasn't it? Devil & Devil's quite the series. I'm quite into it. When Gesmal Girl asked me to take over this project, I was absolutely "stoked" for a lack of a better word. I've been working on an English paper for the past few nights so I'm all out of vocabulary. I was amazed, at the time, late summer, I was a mere translator, and a shitty one at that, but I hung around the channel a lot while "should've been at work" earning $ buy an hour for knowing how to click a few buttons. So I took the project. At the time, Dual Translations wasn't as cocked up as it is now. It was a place where you could hang out, a place where you could talk, make some buddies, etc etc. I was extremely happy to become an op. POWAA. What can I say. But now, it's just bullshit, all of it. It's all politics. Even DT, the epitome of a non-profit organization, and all that happens on the inside is conflict amongst the ops. this of course led to the split with some of DT's most treasured members leaving. After the chasm had been created, it just wasn't the same anymore. Su was no longer around to kick/ban me. Azukzamer wasn't around to jeer at my Chinese skills. they was at first. Yet throughout, I kept my promise. I had told GemmaC that I would do DD and AGT. As Go Tomorrow for Dual, and my pride held me to this. I also have found myself becoming increasingly cynical and just plain old mean. Another cliche would never normally use. But I'm bored. One of the problems of being on top is that there's really nowhere else to go. I at first thought that the problem was just D, so I went over to ZileH and asked to host for him, obviously he thought I was untrustworthy, but he was never mean or discourteous, he gave me the chance to talk to him and to even host vGAI for him, which I've been unable to do. But that wasn't the problem. Manga, now maybe anime in general, it's getting boring. When you're the manager for about the sixth semi-interesting series around, it kinda sucks when your reading and enjoyment process is cut short by having to notice every single error and try not to be so lazy as to 'forget' those errors. The point is, I'm not sure how much longer my pride will be binding me to this tedious job. Once it was a hobby, but school and the responsibility of such a mundane task as just overwhelming. I'd rather translate, at least then I could brush up on my Chinese. This is a lament. A pitiful one at that, but I wanted to say it. I'd like to find a temporary manager. I've been planning on disappearing off the face of the planet for a while, anyway, just someone to keep all the DD and AGT translators and editors who haven't died yet in check and working. And perhaps do a better job than I did on getting releases out. Sorry about the long wait, like my innuendo suggested, all of my editors and translators no longer seem to be alive. I've already consulted a good online friend about this, Ken, he edits for JI and did one of the chapters in this volume, however, I'd like to leave this kinda open ended. GemmaC knows me when he suddenly dropped the project over my head, I guess he had some kinda divine inspiration, well, let divine inspiration hit me. If anybody wants more information, give me an email at, newsitamitan@dualtranslations.org. Comments are welcome too.

Enjoy life people, it's short, don't waste your eyes on the computer too much. By the way, check out my shitty website sometime, www.zero-studio.com I promise that I'll get around to updating and making it slightly more beautiful. Also, download my Atsumi Music Video, probably going to be my last one too ;P. Comments about this personal stuff can be directed to, newsitamitan@zero-studio.com

Thanks everyone, it's been a great time. Powaa to (00) who hath navigated thou ars down here.

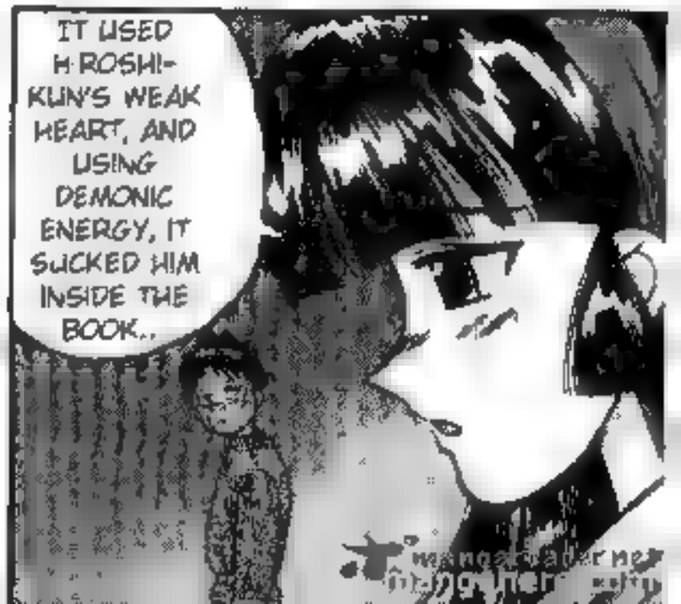
HOW DO WE SAVE HIM!?



IT USED HIROSHI-KUN'S WEAK HEART, AND USING DEMONIC ENERGY, IT SUCKED HIM INSIDE THE BOOK..

ENTRAP IT IN THIS BOOK!!
